Selections

Teams of 16 (or 18 in specific age groups) and shadows will be named after the trials.

Central Coast Oztag can only enter one team in each division.

Should a player nominate Men's, Womens or Mixed Opens as their number 1 preference and are named as a shadow, they may be called into these relevant teams should players withdraw even if named in another team e.g. Mens 30s or Mens 20s.

Players that are also eligible for selection in junior divisions e.g. 16s and 17s, must fulfil their commitment to Central Coast Junior Nationals teams before being considered for senior divisions.

Shadows

Shadows will be selected for each team and expected to attend training sessions.

Should shadows be attending training they will be selected if a position becomes available. In the event that players do not attend training, the coaches can select from outside these shadow positions from players at the trials.

Selection Process

At least one independent selector will be assigned for each Opens and 20s trial. All other teams will be selected by the coach, though may assign independent selectors.

Should the coach have a relative in the age group, the selection of them will be at the sole discretion of an independent selector/s.

Players wishing to trial for more than one division, must attend each of these relevant trials.

Any player who cannot attend the trial for any reason must notify the coach PRIOR to the trial commencing.
