CONDITIONS OF PLAY, INCLUDING PLAYER INSURANCE COVER Appendix 10

The Oztag competition is organised and run by The Australian Oztag Sports Association Inc (“Oztag”). Oztag offers to provide access to the competition to Players on provision by Players of the registration fee and agreement to these Conditions of Play.

As a Player, I agree and understand that, subject to these Conditions:

1. I play at my own risk. If I have not signed the registration form, I will not be covered by any insurance and I play completely at my own risk. Qualification of any team for the semi finals will depend upon validly signed and completed registration forms for all Players being submitted.
2. I will not wear football boots with screw in type studs (metal, nylon or spikes).
3. I will wear shoes suitable to playing the sport whilst playing - I will not play in bare feet.
4. I will not wear jewellery (which includes men’s watches) while playing.
5. I will not talk to the referee unless I am the captain of a team.
6. I will not sledge either the opposition or my own team members. This is a major offence and will result in me being sent off.
7. I must comply with the referee’s directions and decisions.
8. I must play in official Oztag shorts.
9. I must be 15 years of age to play in adult competition.
10. Any injury I sustain must be reported to the first aid officer on the night of the injury. Claims may be rejected if the injury is not reported on the night.
11. All teams must wear numbered shirts with numbers either clearly identified on both sleeves or with one large number on the back of the shirt.

Changes may occur to the competition during the competition. Information regarding any changes will be published on the website (www.penrithoztag.com.au) or on the Penrith Oztag FaceBook page. Teams & players are recommended to check these notices as these changes may affect them.

Injury Insurance & Liability

Oztag has arranged injury insurance cover (“Player Insurance”) for Players through Sportscover (Australia) Pty Limited ACN 006 637 903 under authority from American Re-insurance Company ARBN 000 857 698. Policy terms are available to all Players and will be provided on reasonable notice to Oztag. A summary of the Player Insurance cover is set out below.

Players acknowledge that there is a real possibility of injury in playing in the Oztag competition. The most common injuries are ankle and knee injuries and broken bones but may include any form of injury, including in rare cases, death.

Players who desire more comprehensive or other insurance cover must obtain this cover prior to playing. It is up to each Player to determine whether they require further cover in addition to the Player Insurance before they play.

As a Player, I warrant that:

1. I am in a fit state of health to play.
2. I will not be under the influence of alcohol or drugs that may adversely affect me while playing.
3. I have no pre-existing medical or other conditions which might cause me injury or be aggravated by playing.
4. I have read and understood these Conditions of Play.
5. I will comply with these Conditions of Play.
6. I acknowledge that if this information is incorrect, the Player Insurance may be voided.

Release

1. As a Player, I acknowledge that the Player Accident Insurance may be my only recourse to recover damages for personal injury.
2. I hereby RELEASE Oztag and its associated parties, including without limitation, its members, officers, servants and agents, contractors and referees including any other person engaged by Oztag in any capacity (“the Oztag Parties” or, individually, “Oztag Party”) from all liability for loss of any nature, including without limitation, all personal injury, including assault or battery, economic loss sustained from personal injury, damage to property, whether arising out of negligence, breach of any statutory duty, breach of contract or at common law.
3. I acknowledge and represent that any Oztag Party regardless of their connection with me may rely on this release. This release from liability applies unless specifically prohibited by statute.
4. Notwithstanding paragraph 14, Oztag expressly excludes all liability for death or personal injury to any Player in so far as such liability is capable of being the subject of any implied warranty under section 74 of the Trade Practices Act 1974 (Cth) and any other state or territory legislation having a similar purpose.
5. Paragraph 10 and the “Important Notice” on the registration form constitutes a risk warning for the purposes of the Civil Liability Act 2002 NSW and any other legislation having a similar purpose.

Local Rules – Summer 2022-23

The following local rules have been approved by the Penrith Oztag Association committee for the Summer 2022-23 competition.

Registration

- All players must register online AND pay **ALL** money **BEFORE** they play any games.
- **Any TEAM** that has incomplete online details will not be covered by Oztag's insurance until the details are fully complete.
- **Any players that play without paying their registration fee's in full, or making arrangements with us for payment, will result in their team LOSING 6 points for each game the player plays, and the player will be suspended for 2 matches. If you are having issues paying your fee's you need to see the competition organiser to make arrangements. In cases where arrangements cannot be made you CANNOT PLAY until your registrations are paid in full.**

Unregistered Players

Do not play players who are not registered in your team. They are not covered by insurance, and **if found your team will lose 6 points and the player, if registered at Penrith Oztag, will be suspended for 2 weeks from all teams.** Playing an unregistered player is not fair on all players, including the ones in your team, who have paid their registration fees. If you are having issues with getting enough players come and see us, we may be able to assist. If an unregistered player is found playing, then the team organiser (if in attendance) or another player who is in attendance at the game (generally the person who bought the unregistered player) will be suspended for all matches for 2 weeks.

Players in Multiple Teams

Players may register in multiple teams under the following conditions:

- We offer no guarantee that games will not clash.
- If a player is registered in more than one team, and both teams play at the same time they can only switch teams at half time. Players must be in correct uniform for each team.
- It is the responsibility of each player playing in more than one team on the same night to advise us of this if both teams make the finals. Where advised we will make every effort to avoid a clash of games.
- A player cannot register in two teams in the same division. If a player registers in more than one team that are then re-graded to the same division, we will offer alternative arrangements for the player in question. The committee has the discretion to permit this in extenuating circumstances.
- The registration of any player into more than one team is at the discretion of the committee.
- **Players may only play in one team in the Wednesday night Mixed Competition.**

Check In

- Players must check in every week to be covered by Oztag insurance and to qualify for the finals. Teams found playing people not registered in their team, or who have not paid all registration fee's (without making arrangements with us), **will lose 6 points**, the player will also be suspended for 2 weeks from all games. Repeat offences may see your team disqualified from the competition. See above re unregistered players and penalties.
- **Teams MUST supply their players correct shirt numbers before the start of the competition. This can be done by updating them via SportFix or providing a list to us.** Failure to do so will result in a game not being recorded for that player, which may affect qualifications for finals.
- **Players MUST CHECK IN before the end of HALF TIME – You can no longer check in at any time. If you do not make it by the end of half time you will not be able to play that game.**

Playing Gear

- **All shorts & tights worn must be official Oztag garments or you cannot take the field.**
- No shorts will be loaned out.
- Penrith Oztag will supply the ball for each game. Failure to return it to the referee will see each team penalised 50% each for cost of ball.
- All players must have the same team shirt, including a number, before they take the field. **NO CHANGE SHIRTS ARE AVAILABLE.**
- Captains are responsible for returning all tags at the end of the game to the referee.
- No metal studs or cleats are permitted
- All players **MUST** have a number on their shirt that does not clash with any other player in their team. Players on the field without numbers will be asked to leave the field and fix the problem. Taped on numbers are no longer acceptable as they fall off.

Change Shirts

While we no longer provide change shirts, there will now be penalties in place for players out of uniform after round 3, unless there is an acceptable reason. An acceptable reason IS NOT:

- I left mine at home
- I have multiple teams
- The dog ate it
- It's in the car or another bag.

In the above cases if you require a shirt, you can purchase an 'Association' Change Shirt for \$15. This is the players to keep and is the only shirt that player can wear for that team.

Players out of uniform on the field will also be penalised 1 try per player out of uniform. This will be decided by the Competition Official in attendance (not the referee).

Players will be warned for Rounds 1-3 before rule is applied.

Consideration will be given where a team is unable to obtain single replacement shirts. In these cases, the shirt **MUST** be the same colour as the main colour of normal shirt, must be numbered (different from others in the team) **AND** you must get clearance from the office **BEFORE** taking the field.

There will be no consideration given to teams/players coming up the office after a game raising issues with uniforms. If you have concerns, you must raise them with our Competition Official (not the referee) during the game or at half time. The decision of the Competition Official is final, any arguing or dissent shown towards the Competition Official in regard to policing this rule will see additional penalties imposed on the player/team in question.

Work with us on improving this aspect of our game. If you are having issues with shirts please come and see us, do not leave it and wait to be caught. We will work with and show leniency towards genuine cases of difficulty in regard to shirts, where players/teams have contacted us as soon as the issue arises.

FILL IN PLAYERS

There are no longer any fill-in players permitted. Due to continued abuse of the system and non-compliance by many teams only players **REGISTERED IN A TEAM** are permitted to play in that team. If your team is short players unfortunately, you must play short. The penalties for playing players either not registered at all, or registered but not in your team are as follows:

Offence	Penalty
<p>Playing Unregistered Players These are players not registered at Penrith Oztag in current competition.</p>	<ul style="list-style-type: none"> • 0 points for the game • Loss of 6 points • Organiser/captain or responsible player suspended for 2 weeks from all teams. • Opposition receives a draw for the game if they lost the game.
<p>Playing player not registered in your team These are players registered at Penrith Oztag in current competition, but not in your team.</p>	<ul style="list-style-type: none"> • 0 points for the game • Loss of 6 points • Player suspended for 2 weeks from all teams • Opposition receives a draw for the game if they lost the game.

Organisers/Captains Duties

- The organiser is the person who registers the team and indicates either on the registration form or online that they are the organiser.
- Captains are the only players to ask questions of referees, this should be done respectfully.
- Captains, please make sure you check the score with the referee at the end of the game. If you do not agree with the score do not sign the card and come and see us at the office.
- The person who takes the toss at the beginning of the game is considered by the referee to be the captain of that team. If someone else has this role you must notify the referee.
- The captain/organiser is responsible for the actions of their players AND their spectators. If a player or spectator does not follow the instructions of the referee it is the captain/organiser who is responsible to ensure that they do. The captain/organiser may be dismissed by the referee to deal with any players/spectators.
- The captain/organiser is responsible for the actions of their players AND their spectators. Any suspensions given to unregistered players or spectators will be borne by the captain/organiser in attendance at the game in question. Should the organiser not be in attendance at the game, or is a non-playing organiser, the penalty will fall to either the captain or another person in the team (the committee will decide in consultation with the team).

Alcohol

While alcohol is available for sale at the fields, players are encouraged not to consume alcohol before they play. Any player who is injured in a game and is found to be under the influence of drugs or alcohol will not be covered by the insurance policy.

Players are not permitted to consume alcohol at any time during a game they are participating in. This includes any time they may be off the field during the game or at half time of a game. Players observed consuming alcohol during a game they are participating in will not be permitted to continue participating in that game. It is the organisers/captain's responsibility to ensure this rule is adhered to. Teams and players that ignore this rule may be subject to suspensions.

Game Start

Games are twenty (20) minutes per half with four (4) minutes for half time. An announcement will be given and then the next hooter will commence the game. Note the committee reserves the right to vary game times if require due to any unforeseen circumstances.

If a team does not have five (5) players on the field ready to play when the first hooter sounds, they will be given 5 minutes for extra players to arrive. The team will give the opposition 3 tries for this delay. The 3 tries applies regardless of whether the players arrive in 30 seconds or 4 minutes. An announcement will be made at the 5 minute mark to indicate the wait time is up, the team MUST have at least 5 players on the field BEFORE this announcement so the game can commence. There will be not further time given after the 5 minutes, which will be strictly adhered to.

In mixed games only females are permitted to kick off.

Safety Line

All fields at The Kingsway are marked with an in-goal area behind the try line. This line is known as the **SAFETY LINE**, any player crossing this line in the act of scoring a try will be deemed to be tagged and will be required to play the ball 5 metres out. A tag will count and play will continue, unless it was already the last tag which will result in a changeover 5 metres out.

Abandoned Games

If a team falls below five (5) players due to injuries or P.O.T's they may continue the game. If they choose not to continue, they will lose the game as a forfeit and receive nil (0) points. If a team falls below five (5) players because of players dismissed for the remainder of the game the non-offending team shall be declared the winner. The offending team will be given nil (0) points and the non-offending team will be given three (3) points and either a 5-0 win or the score at the cessation of the game, whichever is the greatest advantage to them. If the referee abandons a game the committee will decide the result at a later date.

Team Walk Off

Any team that walks from the field of play before the referee has finished the game will be given a minimum one game team suspension with the organiser and captain from the team to report to the committee room immediately after the walk off.

First Aid

Penrith Oztag provides a first aid person to attend to injuries. This treatment is limited to basic first aid only. Please note the following:

- If there is an injury in your game you must notify us, we cannot view all games and see all injuries. If you require treatment at your field get someone to come up to the committee room and we will attend.
- If the first aid officer believes an ambulance is required, he will ASK the injured person if they would like an ambulance called. If they do not want an ambulance called, we generally will not call one as there is a cost for the ambulance that the player is liable for (only 50% is covered by the Oztag insurance). The exception to this is if the first aid officer believes the player is suffering a life threatening injury/illness.
- All injuries must be reported to the medical person on the night of the Injury and the injury report form signed. Failure to do this will result in denied insurance claims.

- SF2: 2 v 3

Grand Finals

Drawn games in finals

If there are drawn games during semi or grand finals then the following will apply:

- Extra time will start with **6 players** from each team. (Mixed, 3 men/3 girls per team)
- All starts of play in extra time will be by a **tap kick** (that is you do not kick off) at halfway.
- If a team scores a try in the first possession of extra time, play will be restarted with a tap kick by the team that did not score the try at halfway. This team then has one possession during which they must score a try otherwise the opposition is declared the winner.
- Each team must have at least one possession of the ball, after which first try wins.
- A possession is defined as a set or six OR up until you lose possession in that set of six.
- If there is no result after three minutes drop to 5 players per side. (Mixed, 2 men/3 girls)
- Play will then continue until there is a result.
- Teams have the right of reply if each continues scoring in consecutive sets.

Public Health Orders

Our competitions are run in line with all public health orders issued by the Government. This may mean disruptions to our competitions. If the competition is disrupted due to a public health order, we will make an assessment at the time as to how we proceed, just as we did with the last Winter competition. Under the current circumstances we can offer no guarantees that all rounds will be played should any public health orders be put in place. Players register into the competition knowing that there are no guarantees on the number of rounds able to be played and no guarantees as to the type of remediation that will be offered should competitions be interrupted or cancelled.

Complaints

If you have any enquires, please see a committee person. All problems can be resolved if they are approached in a rational and calm manner. **ABUSIVE OR FOUL LANGUAGE TO ANY STAFF WILL NOT BE TOLERATED.** Complaints are to be directed to Competition Co-ordinator in the first instance.

Insurance

- **If you are under the influence of any alcohol/drugs/medication at time of injury – you are not insured and cannot claim insurance.**
- All claims carry an excess of \$200
- For insurance cover information, read back of team registration form 'conditions of play'
- **All players are advised to have PRIVATE HEALTH INSURANCE as the coverage of the standard insurance is limited.**
- **The basic insurance policy covers you for death (inc permanent disability) and non-medicare medicals (i.e physio, dental etc). It does not however include loss of income cover.**
- **You can purchase 'Loss of Income Insurance' for your team at a low cost of \$110.00 (incl GST). This can only be done on a team basis not individual. Forms are available in the committee room.**

Wet Weather

If there are rounds washed out we have allowed a number of weeks at the end of the season to catch up games, the finals will be pushed back if required. If the washed out rounds cannot be caught up in these weeks, then:

- Games may be played on any day of the week, including weekends. These may be single or multiple rounds.
- 2 half games may be played on the same night where possible. These will either be two separate games or games for double points if the opposition match up.
- **If they cannot be played in the catch up rounds or half games then the rounds will be cancelled. No refunds will be issued.**

If the fields are closed during the finals, the finals will be pushed back into any remaining spare weeks, if they have not already been used. If there are no spare weeks:

- Final series games may be cancelled.

- Grand Finals will be attempted to be played on alternative days in the weeks leading up to the next season.

If the Grand Finals are not completed at least 2 weeks prior to the next competition, then joint premiers will be declared and prize money split accordingly.

There will be NO REFUNDS for games being shortened, varied or cancelled due to conditions outside of our control (eg: weather, public health, council requirements)

Forfeits

- Teams who forfeit a game without early notice (before 5pm) will **lose three points and receive 0 points for the game** forfeited. Early notice, **prior to 5pm on game day**, will result in the 3 point penalty being waived.
- Teams who forfeit three times during the season will have their position in the competition reviewed. Unless there are extenuating circumstances for the forfeits the team will be withdrawn from the competition with NO REFUND issued.
- Teams who repeatedly forfeit may be asked to lodge a bond if they return the following season, which will be forfeited if the team continue to forfeit games.
- The non-offending team will be awarded a 5-0 win for a forfeit.
- **Teams who forfeit semi-finals will not be eligible for grand finals.**

Teams who forfeit during the season will have their place in semi-finals assessed prior to the draw for semi-finals being finalised. This will take into account the performance of the team against the team they forfeited against and the impacts of the forfeits on the finals, especially in split divisions where forfeits may put a team in the bottom division whereas if they had not forfeited, they may have been in the top division. A team's position on the ladder may be adjusted for the semi-finals if they have forfeited and the committee believes the forfeit has had an adverse impact on the positions on the ladder. The committee may also alter a team's tries for/against if forfeits have an impact on their position on the ladder.

Foul Play

- Any player that is involved in a fight will be sent off for remainder of game – **NO EXCEPTIONS**
- Any player that throws a punch will be sent off for the remainder of a game – **NO EXCEPTIONS**
- Any sledging and/or foul language will not be tolerated. There is to be no sledging of the opposition or your own team members under any circumstances. This is a major offence and will result in the player being sent off.
- Any abuse of referee's will be dealt with severely.
- Player sent for a POT or remainder of the game is to **HAND** their tags to the referee. Players sent off for a POT or remainder of the game cannot be replaced, you must play a player down.

Send Off's and Periods of Time (POT)

- A referee may send you for a P.O.T., the duration of which is at his discretion. You must take up a position behind your opponent's goal line and hand your tags to the referee.
- A second P.O.T. in the same game will incur an automatic two (2) game suspension. This suspension is not appealable.
- Any player sent off for the remainder of the game will **receive an automatic 2 game suspension** and will be contacted by the Judiciary Chairman if further action is required.

Players incur suspension/POT points for infringements during the season. A POT incurs a two (2) point penalty and suspensions incur whatever penalty the judiciary decides. If a player accumulates 12 points in one competition, then they are **AUTOMATICALLY** suspended for eight (8) games. These eight (8) games are in addition to any other suspension in place at the time.

Suspensions

Suspensions may be given for a certain number of games OR for a certain number of weeks. Any suspensions issued for week's covers ALL games for teams the player is registered in.

- Any suspended sentence handed out is in effect for the current season and the next season the player plays.
- Suspended games do not count towards finals qualifications.
- Forfeits by your team DO NOT count towards game suspensions, BYES and FORFEITS by the opposition DO.

Grading / Re-grading

The committee will take every care when grading teams but due to numerous factors it is not always possible to get teams graded correctly. When doing the initial grading there are many factors we have to consider including:

- Past performance of team
- Players in a team (experience, rep players)
- Oztag experience (new teams/players)
- Number of teams into a division
- Potential player/referee clashes
- Team requests
- Field availability
- Our knowledge of teams

In order to achieve as fair a competition as possible the following guidelines apply to the regrading of teams:

- Re-grading will generally not occur until after Round 7, when most teams in 7 and 8 team competitions have played each other once. The committee reserves the right to re-grade a team earlier than this should they deem it necessary.
- When a team is re-graded they will be moved to the new division with the same competition points as the team running mid-comp, but retain their own tries for and tries against in the new division. This ensures they, and the other teams in the new division, have an opportunity to compete fairly over the remaining rounds. Re-grading is not meant to reward or penalise teams.

When reviewing the competition for possible re-grading following are some factors that are taken into account:

- How many games have been played and against what teams have these games been played?
- How many players did teams have playing on a particular night, How many players did the opposition have?
- How is the whole division performing?
- Are there other teams in the same division who may need to be re-graded?
- What are the for/against figures?
- Are there teams in higher/lower divisions that require re-grading and may be switched with?
- Do the teams have a history of poor performance and then much improved performance once downgraded?

General

While the competition is scheduled for 14 rounds, Penrith Oztag reserves the right to vary the length due to any circumstances that may arise. Penrith Oztag is under no obligation to provide refunds if the competition length is shortened, or games cancelled, due to unforeseen circumstances such as weather events, or public health issues.

Final Word

Remember, we are all here to have fun and enjoy the game. If in any doubt about any aspect of the game come and see a committee person. We are here to help you out and, as most people would know, we bend over backwards to ensure you get to play your games. But remember rules are in place for a reason, and at times we cannot be flexible with how the competition is run.

Respect the referee's and the job they are doing. Whether you agree with them or not, keep your opinions of the referees to yourself whilst playing the game. There is only 1 referee (maybe 2 if a buddy referee is in place) on the field and they make the calls. Everyone else should keep quiet in regard to refereeing calls. We are quite happy to receive feedback about referee's but talk to a committee person and do so in a calm and respectful manner. Being abusive or derogatory will result in you being ignored and, in some circumstances, you may be suspended.

HAVE FUN
