

Australian Oztag Contingency Plan 2020

re CoronaVirus Pandemic

Australian Oztag shut down all competitions from Monday 23rd March to Monday 4th May, 2020.
(To be continually reviewed)

Trans-Tasman Tour postponed & re-scheduled to Thursday 24th, 25th & 26th September, 2020.
Teams departing Australia on the 22nd returning 27th September.

NSW State Championships re-scheduled to Friday 30th, 31st Oct & 1st November, 2020.

The 2020 Senior Australian Championships are cancelled.

(No Australian teams are being selected from this tournament because World Cup teams will have already been selected. By making this decision now no regions are inconvenienced with planning.)

If the junior City v Country cannot be played in June it will be rescheduled to a new date & venue in November. Our intention is to play this tournament.

No Senior City v Country in 2020.

The Junior Australian Championships will go ahead as normal subject to Covid 19. restrictions being lifted & allowing enough time for trials & selecting teams before cut-off date, 24th August, 2020.

Queensland Oztag

Qld were fortunate to play both their junior & senior State Cups. AO will continue to liaise with Qld Oztag throughout the pandemic for future opportunities.
