The ITF is a non-for-profit entity promoting Tag worldwide and is funded via membership and player registration fees together with license fees on playing uniforms for the use of logos.

Without this funding, the ITF would not be able to host these special event tournaments.

### **ON-FIELD UNIFORMS**

Accordingly, as a condition of entry, Heritage and Exile teams are required to play in ITF approved on-field uniforms featuring the official logos and trademarks. All on field kit must be manufactured by an ITF accredited manufacturer.

The ITF has accredited Oztag Equipment Supplies (OES) to provide the playing uniforms for this Australian based event.

Please note that all playing uniforms will be inspected on the first day of the tournament. If there is a breach of this policy, teams will forfeit all rights to participate, and fees paid will not be refunded.

The ITF and logo and tournament logo (AIC) are to be displayed on all playing gear. These logos are licensed from the ITF and subject to usage fees. The logo usage fees will be included in the price of the uniforms purchased via OES.

### **Logo Specifications**

The ITF logo must be placed on the right shoulder of the shirt or right-side waist of the singlet. The ITF tournament logo (AIC) must be placed on right chest and the nations logo on left chest of all playing tops.

Lisa Manu (OES) will organize a link for each nation. Please note Delegates are the only authorised persons to liaise with Lisa at OES.

## **OFF FIELD MERCHANDISE**

ITF has accredited OES to supply off field merchandise incorporating ITF and AIC logos for this tournament.

The logo usage fees will be accounted for and included in the price of merchandise purchased via OES.

**Playing uniforms and merchandise orders must be submitted to OES by 1st May 2024.**

**No orders will be accepted after this date.**

## **8. National Team Ceremony Protocols**

Each nation will be required to supply 2 flags. One will be on display for the duration of the tournament and the second flag is for the nation to carry in the opening ceremony. The display flag dimensions should be approximately 1900cm x 900cm. The flag the team carries can be the same size or smaller.

The ITF will require the display flag by 12pm Thursday 1st August 2024. This can be delivered to the stadium or make arrangements to deliver the flag to the Oztag office by Friday 26<sup>th</sup> July. I still have some flags from the ITS 2022. I'll supply a list soon. **DONE & nations informed to which flags I have and have not.**

The Nations flag for the opening ceremony will be the Nations responsibility to have at the opening. It will be their choice as to how they display this flag. E.g. A player carrying the flag on a pole or players holding the flag.

All Nations are required to participate in the Opening Ceremony.

All Nations are required to wear appropriate team uniform to the Opening Ceremony.

**It will be cold so non uniform jackets etc are OK. Stay warm. We will just ask for**

Teams can play all 18 players per game.

**Nations are allowed 2 non-heritage players on the proviso they are filling the team. Heritage players must be selected before non-heritage. You cannot select 2 non-heritage and leave 2 heritage players out of the squad. If there is a breach of this policy the team may be disqualified, and the coach will be dismissed.**

### **10. Haka / Challenges**
