

## Tournament Player Eligibility Policy – Seniors

Updated 13 November 2020

For a player to be eligible to compete in an official Australian Oztag Ltd (AO) Senior Representative Tournament they must meet the below requirements. Associations who play in-eligible players will receive tough penalties.

These penalties are outlined at the end of this policy.

### **Player requirements to be eligible to compete in an Australian Oztag Senior representative tournament.**

**Australian Championships:** Registered Oztag players are eligible from anywhere in Australia if they meet the below criteria.

**State Championships:** Players must be registered in the state of the tournament & meet the below criteria.

- Players must be a registered Oztag player for the Association / Region they are representing. To be eligible to play for that Association/ Region you must meet the following criteria:
  1. Have played 7 games in ONE TEAM per season in either of the proceeding \* two seasons prior to the tournament. Eg *A player would play in a team playing one game per week over a seven week period. A referee is eligible providing the referee has refereed at least one game a week over a seven week period during the season. Refereeing multiple games in a week does not count.*

*\* The Proceeding two seasons are any senior domestic competitions offered by the Association they are representing that has a minimum of 10 competition rounds plus semi-final & grand finals that is scheduled to be or has been completed by the first day of the tournament. A player playing in several divisions on several nights does not accumulate the 7 games this way. Only one team in one competition counts.*
  2. Players who have not played the seven games due to extenuating circumstances may apply in writing to the tournament director for permission to play. E.g. injury, returning from overseas, the domestic competition doesn't finish before the tournament is played etc. Players need to submit their request in writing. If a player is granted an exemption they may only qualify to represent an Association / Region at which they have previously played.
- An exception will be made for players who are still eligible (15 years +) to play both juniors & seniors, but don't have a senior domestic competition in their area. If this is the case they must be a registered player at the Junior Competition. In this instance a Junior Association would be permitted to enter a Senior Team in a Senior AO Representative Tournament.
