REGIONAL QUALIFYING CHAMPIONSHIPS

EVENT INFORMATION

NSW Regional tournaments will take place during school terms 1 and 2. Every tournament will run over 1 day. Tournaments can be scheduled for kick off as early as **8:00am** and finished by **3:30pm** depending on size. Schools can enter only 1 Regional tournament. If a school cannot make their regional qualifying tournament, they can apply for dispensation to enter another regional tournament.

Champion of Champions

The champions & runner up of each division from each regional tournament will be invited to compete at the NSW Secondary Schools Champion of Champions Tournament held in July. The tournament will be run over 2 days beginning at 10:00am at the earliest.

TEAM NOMINATIONS

Team nomination and invitation forms will be sent out to school via email and posted online oztag.com.au/high-schools. Nominations must be submitted 2 weeks prior to the event to jordan@oztag.com.au

Once you have submitted your nominations, your teams will be approved. Tournament Briefing & POOLS will be sent out after the cut off date for confirmation. Following this the draw will be posted.

COST

The cost for each event will be \$100 per team. Payments must be submitted prior to the tournament. An invoice will be sent after nominations have been submitted. Teams that are withdrawn from the tournament less than 1 week away will receive a \$50 refund.

NUMBER OF TEAMS ENTERED PER SCHOOL

Schools may submit a maximum of 1 team per division this year due to numbers being restricted because of COVID – 19.

TEAM NUMBERS

All teams have up to 8 on the field at once with a minimum of 5. A maximum of 16 players per team. If a team is found to play more than 16 players throughout the tournament they will be disqualified.

Teams will be competing in year groups not age divisions. Students may play up in year groups but are not allowed to play down no matter their age.

Students may only compete in 1 team at their Regional tournament.

Players caught to be playing out of their nominated team will result in a loss of 5 competition points for that team.

NSW Oztag and local associations supply referees; this is included in the cost for each team.

Schools are welcome to provide referees. Please contact us prior to tournament if you have any referees able to assist.
